## Graduation Imaging 2012

We are pleased to offer graduation ceremony imaging this year at your school's event.

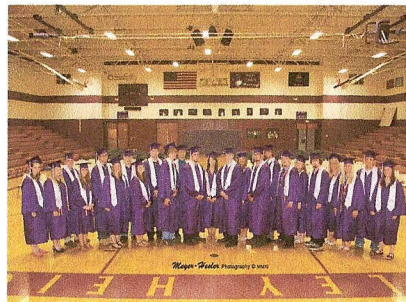

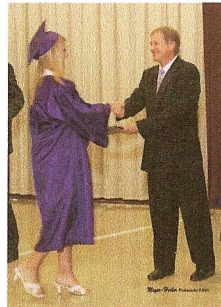

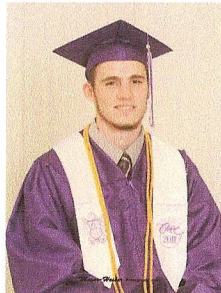

We will photograph each student pre-ceremony (head & shoulders in cap & gown), receiving their diploma, and finally, a graduating class picture.

All our imaging features free artwork to make everyone look their very best.

Use the order form on the reverse to plan your order.

Payment with completed order form is due pre-ceremony.

Call or e-mail if you have questions.  
Thank you in advance for your business.
